## CONDITIONS OF SALE

### Bidding

1. The placing of a bid will constitute acceptance of the conditions of sale.
2. All bids are per lot as numbered in the catalog. The right is reserved to withdraw any lot or lots and to group two or more lots.
3. Lots are sold to the highest bidder at one advance over the second highest bid. The auctioneer shall regulate the bidding and in the event of any dispute the auctioneer's decision shall be final.
4. The auctioneer shall not be liable for errors and omissions in executing instructions to bid.
5. Unlimited bids and bids believed not to be made in good faith will be respectfully declined.
6. Minimum bid on any lot is \$50.00.
7. All lots will be sold at the price for which they are knocked down by the auctioneer, plus a commission of 15%.

### Payment of Purchases

8. Successful bidders will be notified of lots purchased and must remit before lots are delivered. Persons who are known to us may, at our option, have purchases forwarded for immediate payment.
9. Terms are immediate payment in U.S. funds on receipt of the invoice. Payment by credit card will be subject to a 2% service charge.
10. The mode of shipment shall be at our option unless we are given specific instructions. A minimum charge of \$1.50 will be made in addition to postage, insurance, and handling.
11. Successful bidders agree to pay for lots as specified above and no credit is extended. For overdue accounts a late charge of 2% per month (minimum \$30.00) will be charged. Accounts are considered overdue after (30) days.

### Quality

12. Any lot, the description of which is incorrect, is returnable within ten (10) days of receipt and must be received within four weeks from the date of the auction. All disputed lots must be returned intact in the condition received. The following lots may not be returned without prior approval: lots containing ten or more stamps; lots from buyers who have had the opportunity to examine them before the sale; lots described as having defects or faults may not be returned because of faults. No illustrated lot may be returned because of centering, margins, or other factors shown in the illustrations.

### Authenticity

13. All lots are sold as genuine, but should any lot be proved otherwise by written opinion of any responsible authority acceptable to us, immediate refund of the full purchase price will be made, provided we are notified in writing within 14 days from date of sale that an opinion is being sought. If claim is not made within this period, no lots are returnable for any reason at any time. We will not be responsible for any charges incurred by the buyer for expertization fees and costs unless the opinion states the item is not genuine, in which case we will pay actual costs up to a maximum of \$100.00. In the event an item is proved "not as described" it is returnable for a full refund. Any lot which has a certificate dated within the last five years is sold in accordance with the certificate and is not returnable for any reason including an opinion obtained in a new certificate after the sale.

## VALUE

## 3rd Session: Saturday, November 12, 2016 – 10 am

## Half Cents

732 1793 Fair 2 w/ abt 40% obv and 25% rev showing. Low grade but no damage, smooth surfaces, and even brown color. All 4 digits in the date show. Scarce and desirable type coin seldom offered.

## Large Cents

733 1794 S-65 (Head of 94) NGC Fine Details - Env Damage. The corrosion referred to is typical of many early cents. The rev is weaker typical of the S-65 variety. Overall, a very nice coin.

734 1794 Head of '94 S-44. A natural VG to F coin lightly tooled to add detail. Still appealing. Diagnostic rev die crack prominent.

735 1794 Head of '94 S-63. The famous "fallen 4" variety. Considerably corroded but ample detail (VF) remains. Inspect!

736 1795 Plain Edge S-76b. VF detail on lightly pitted surfaces. Obv abt 5% off-center. Overall decent coin. (Ex. C.E. Bullowa sale 6/14/97)

737 1799 S-189? VG Details on porous planchet w/ somewhat uneven color. All important features are clear incl the low date diagnostic of 1799. Seldom offered and worth inspection.

738 1803 rev 100 over 000 S-249 NCG VF Details Environmental Damage (30 degree die rotation). The overstrike shows clearly.

739 1813 "Distant Star" S-292 VF Detail w/ fine porosity. Surfaces have been smoothed removing some of the corrosion. Still an OK appearance.

740 1814 Crosslet 4 S-294 NGC VF Details Environmental Damage. Still an appealing coin w/ even dark brown color. Worth inspection!

741 1823 N1 (1823/2) ANACS VF25 Details - Corroded/Scratched. Well-restored example of a scarce issue.

742 1831 N8 (R3) NCG AU55 BN Beautiful coin!

743 1853 ANACS AU50

744 1856 N6 Upright 5 NGC AU Details - Toolled. The coin perhaps has minor planchet defects, but there is no evidence of "tooling".

745 (2) incl 1819 Small Date N-10 (Rarity-4) ANACS VF30 nice even brown, and 1824 N1 NGC VF Details Corroded (an even dark brown w/ minimal damage from corrosion.) Bonus: 1675 British Farthing NGC F12 BN. Nice group!

746 (2) NGC-Certified incl: 1819/8 Large Date N1 AU Details - Corrosion (great detail but even light corrosion), & 1835 (Head of 36) AU Details - Rev Damage (rev gouge blends into the coin's color nicely).

747 (2) ANACS Certified incl 1848 & 1854 both XF45. (The 1848 is variety N-24 with high rarity of RS-.)

## Indian Cents

748 (48) Diff 1857 // 1909 in Whit 9402 album circ grades. Sev 1866 - 1879 represented. Bonus: (20) diff in "Last 20 Years of Indian Cents" folders. (68 total coins)

750 (150+) Diff 1909 // 1970's in Whit 9112 album. Missing the keys s/a 09-S VDB, 14-D etc, but contains all of the early S-Mint coins as well as 22-D & 31-S. Mostly circ, there are a few better earlies - cleaned but still ok. Needs inspection!

751 (3) BU Rolls incl 1943 P, D, & S. Nice unc rolls of the WWII steel cents one from each mint.

752 (6,000+) Wheat Ear Cents 1909 // 1958-D mostly circ. Unsearched by us, so happy hunting!

## Three Cent Pieces

753 Silver 1862 PCGS AU55.

## Shield Nickels

754 1883 Shield PCGS AU58

## Buffalo Nickels

755 1919 NGC MS64. Bright and attractive. (w/ 30-deg die rotation)

756 1937-D 3-legs NGC VG8.

757 (65) Diff 1913 // 1938-D in Dansco 7112 album. Virtually complete set missing only 37-D 3-legs. Wide grade range w/ a few problem coins to a few nice mid and upper-grade. Keys incl 13-S T2 VG, 14-S VF, 15-S VG, 17-S VF & more. 18-D over 17 is acid treated but appears to be authentic. Far better than average set. Inspect for more detail!

## Jefferson Nickels

## NOTES

(1) Minor separations in multiples and sheets are to be expected in older issues; a few open parts do not adversely affect value and do not constitute reason for return.

(2) Gum line and lt. gum creases are normal characteristics of U.S. flat plate issues; these will be described only when unusually pronounced.
